Mrs. Samantha Bell

Director Education for Dental

"Shaping the future of Dental Professionals"

Samantha Bell has been in the Dental Profession for over 25 years and gained the dental nursing qualification through the NEBDN 1995. This was supplemented by obtaining numerous post graduate dental and teaching qualifications. Over the last 15 years Samantha has been involved in the development and the delivery of bespoke educational programmes for all members of the dental team in the UK. For the last 4 years, she has worked on behalf of Zhermack, as an International speaker to promote and share good practice to dental teams outside of the UK.

Disinfection and decontamination

Short falls in arrangements for infection prevention and control, as identified in recent CQC reports.

A general guide to impression taking

Changes within the roles of Dental Care Professionals, referring to GDC legislation and standards.
